FROM THE DESK OF THE PRINCIPAL

Dear Parents/ Guardians,

On 21 July 2026, Yu Neng Primary School had the honour of welcoming education leaders and delegates from across ASEAN, visiting on the sidelines of the 14th ASEAN Education Ministers Meeting (ASEM), to see how technology and AI are used purposefully in our classrooms. Our visitors observed live lessons and joined hands-on activities confidently led by our own students, and we were immensely proud of how our students and teachers represented the school on our Tech4Good@YNPS journey.

We are now well into Term 3, and this month, we will come together to celebrate our nation's birthday. The theme for our 61st National Day this year, "Majulah Singapura, Go Beyond!", celebrates the Singapore Spirit that has carried us forward over the years and encourages all of us to continue striving for a better future while caring for those around us.

To this end, our Primary 5 students also attended the NE show on 25 July 2026. As a school, we look forward to commemorating National Day on 7 August 2026 and inspiring our students to embody this same spirit of courage, progress and care!

As our valued partners in nurturing our students into confident, caring and active citizens, we thank you for your continued support in strengthening our home-school partnership. Do stay connected with our school through our Facebook (<https://www.facebook.com/YNPSSingapore>) for updates and highlights of school life. In this letter, we would like to share some upcoming events, important reminders and recent school achievements.
