

L050/2026

30 April 2026

FROM THE DESK OF THE PRINCIPAL

Dear Parents/ Guardians,

What a wonderful Term 2 it has been and we are only halfway through it! Our students took part in a series of memorable experiences that brought learning to life well beyond the classroom. During International Friendship Week, they explored and celebrated the rich diversity of cultures and communities that shape Singapore and our world. Library Week was a particular highlight, with teachers and students dressed up as their favourite book characters in a burst of creativity and joy that clearly resonated with many. Our posts were shared widely across social media, reaching well beyond our school community! Environmental Awareness Week then brought the first half of Term 2 to a fitting close, encouraging students to think deeply about caring for our planet and living with greater purpose and responsibility. It is heartening to see our young learners grow not just in knowledge, but in empathy, creativity and awareness.

None of these programmes could have come together so successfully without the strong support of our Parent Support Group (PSG). Their commitment, resourcefulness and hard work behind the scenes made all the difference, and we are truly grateful for everything they do for our school community.

We would also like to warmly thank our parent helpers who gave their time and energy to support our students at the Singapore Youth Festival (SYF) presentation, SwimSafer sessions and learning journeys throughout the term. The strong home-school partnership is what makes Yu Neng such a warm, engaging and meaningful place for our students to learn and grow.

As we press on through the remainder of Semester 1, let us continue to walk alongside our students with the same enthusiasm and dedication — cheering them on, guiding them forward, and celebrating every milestone along the way. Together, there is so much more we can achieve!

Library Week – where our vibrant characters from our favourite books came alive at YN!

3. UPCOMING EVENTS

3.1 Head Prefect Campaign

We will witness an important milestone for our student leaders as four of our Head Prefect hopefuls will campaign for their cause during pre-morning assembly in Term 2 Week 8. Students will vote in Week 9 to support the candidate of their choice.

The Head Prefect Campaign and Voting Exercise is an integral part of the total Yu Neng experience. Each student is encouraged to exercise their right to vote. Through this meaningful and important platform, our students get to make informed decisions and own a piece of their future. We encourage all students to give their fullest support to our candidates in the upcoming Head Prefect Election.

The elected Head Prefect will commence his/her role from Term 3 (2026) onwards. He/She will work closely with the Deputy Head Prefects in leading the student body into the next chapter of the Yu Neng story. We wish all our candidates the best of luck in their leadership journey. May they navigate challenges with grace, inspire others with their vision, and leave a lasting positive impact on those they lead.
