11th October 2023

Dear P6 Parent / Guardian,

P6 Values-In-Action (VIA) – Food Donation Drive 2023

1. With the success of this VIA in 2022, the Food Donation Drive will continue in 2023 where we strive to inculcate in our students the importance of being a contributor to the society and further imbue in our students the value of giving back to community and to be a changemaker in their own ways.
2. The VIA is a platform for students to demonstrate the Yu Neng spirit of “Doing Well by Doing Good” and to inspire our current students to remain steadfast to our founding school motto to “Light Up and Shine”, the Primary 6s will be involved in a VIA project post PSLE.
3. In collaboration with Kaki Bukit Community Center (KBCC), our Primary 6s will have a food donation drive. After the food donation drive, the Primary 6s will pack and contribute the food hampers to vulnerable families within the community.
4. Through this food donation drive, we believe the students will:
 - Advocate for the less fortunate in the society;
 - Create a community of care and support; and
 - Grow in self and social awareness.
5. The food donation drive will take place from 24th October 2023 (Tuesday) to 27th October 2023 (Friday). We hope to collect non-perishable food items that cater to recipients’ needs. Please refer to Annex A for list of recommended items. **Please note that food items must be Halal certified and have a minimum shelf life of 3 months.**
6. The packing of the hampers will take place from 30th October 2023 (Monday), and selected students will represent the level to hand out the hampers on 2nd November 2023 (Thursday).
7. If you have further enquiries, please do not hesitate to email Mr Ho Wei Hao, HOD CCE (Covering) at ho_wei_hao@moe.edu.sg.
8. Thank you for your support in this meaningful activity and we look forward to partnering you to create a memorable Yu Neng experience for your child / ward.
