A vibrant connected community that aspires, learns and leads

Through the camp, students will be able to:

1. Develop GR³IT values, confidence, and forge camaraderie through common challenging experiences.
2. Value diversity through close-knit interaction opportunities.
3. Develop a sense of place.
4. Understand the importance of an active and healthy lifestyle.

MOE has designed the programme to ensure that it is of high quality, supports the school curriculum and is suitable for our students. Activities include low elements, high elements, team building activities, as well as placed-based activities such as sensory navigation.

Inherently, there are risks involved in the conduct of these activities. MOE has conducted risk assessment for these activities and put in place appropriate measures to manage these risks to a suitable level for our students. We would like to assure you that the safety of your child/ward is of the highest priority. All necessary precautions to ensure the safety of our students will be taken. Outdoor Adventure Educators (OAEs) are proficient in outdoor skills and trained in Wilderness First Aid.

We seek your cooperation to ensure full participation from your child/ward, so to enable them to benefit fully from the rich learning of the camp. Please submit the completed consent form **by Friday, 15 September 2023**.

Thank you and please feel free to contact Mdm Jessamine Tan (Camp Commandant) at tan_swee_lai_jessamine@moe.edu.sg or Mr Low Hao Rong (HOD HH/CCA) low_kok_chiah@moe.edu.sg, if you require further information.

Yours sincerely

Mr Low Hao Rong
